

Membership Registration

Any Fitness professional wishing to be a member of African Register of Exercise Professionals must register for membership. DIRECTORY listing is FREE.

A Member will be required to pay an annual Membership fee of Kenya \$20 to be issued with African Register of Exercise Professionals membership certificate.

All membership runs for a full calendar year.

While a member will be added to the African Register of Exercise Professionals public register without any charges, he/she will only be issued with a membership certificate on successful registration and upon payment of the certificate fee.

A member whose membership has expired and continues to offer services without renewal of membership commits professional misconduct and is liable to disciplinary action, including but not limited to Suspension and De-Registration.

African Register of Exercise Professionals reserves the right to review or vary the Membership certificate Fee. Members will be promptly notified in case of such changes.

Registration Requirements

Prospective applicants need to either:-

1. Have Fitness Certification from a recognized Education Institution; or
2. Have garnered a minimum of 6 Continuous Professional Development (CPD) points within four months preceding the application.
Members Benefits Registration by African Register of Exercise Professionals indicates to customers and employers that you are a qualified and competent fitness professional.
Benefits of Membership include: –
 3. Visibility- You will be listed on the trainers' public directory, giving you exposure to employers and potential clients seeking your service. You can use the directory listing to do personal promotion initiatives by stating that you are African Register of Exercise Professionals certified.
 4. A member can use the African Register of Exercise Professionals logo on their marketing materials.

5. Networking- As a member of African Register of Exercise Professionals, you get to connect with the community of Fitness Trainers in Africa and globally. The lessons and possible partnerships that come with such networking will build your career to the next level.
6. Discounted Services- By being a member of African Register of Exercise Professionals, you get discounts while accessing some services and products.
7. Subsidized Education- African Register of Exercise Professionals works with various global partners and educational institutions which may offer subsidized educational packages for career progression to members from time to time. Only registered members will be eligible to apply for consideration.
8. Personal development- African Register of Exercise Professionals provides a range of courses and workshops, giving members globally competitive training courses. African Register of Exercise Professional has access to highly skilled Fitness professionals worldwide through its network and partnerships with other Register of Exercise Professionals, ensuring that members receive cutting-edge training.
9. Legal Advice and Representation- African Register of Exercise Professionals connects members to highly qualified lawyers in the field and may cover some costs for offering services. Members can get legal advice when engaging employers and reviewing contractual agreements to ensure that they are well covered and compensated. Working around the globe- African Register of Exercise Professionals members get into the globally recognized fitness trainers pool and can offer their services worldwide. Certified members of African Register of Exercise Professionals can get seconding certification to offer services by corresponding Register of Exercise Professionals affiliated organizations.
Travel- members get opportunities to travel and work around the globe, thereby finding fulfillment in their careers.
